What's OCA?

OCA is a national organization dedicated to advancing the social, political and economic well being of Asian Pacific Americans in the United States. Founded in 1973 as the Organization of Chinese Americans, OCA aims to embrace the hopes and aspirations of Asian Pacific Americans across the country.

OCA's Mission:

- Advocate for social justice, equal opportunity and fair treatment
- Promote civic participation, education, and leadership
- Advance coalitions and community building
- Foster cultural heritage.

OCA is engaged in organizing its 80 chapters and affiliates across the nation to develop both leadership and community involvement. OCA chapters and our affiliates are establishing strong local programs in all parts of the country.

OCA's headquarters in Washington, D.C. gives the OCA National Center an effective vantage point for monitoring legislation and policy issues affecting Asian Pacific Americans. In addition, OCA is able to build national support and to work in coalition with other national groups around issues affecting Asian Pacific Americans.

OCA takes no collective position on the politics of any foreign country, but instead focuses on the welfare and civil rights of Asian Pacific Americans in the United States.
